CONTOUR PRO

The Contour's compact size ensures a discreet and unobtrusive appearance while providing ample illumination for small to medium-sized areas. Its sleek and modern design seamlessly integrates into hardscape elements such as walls, steps, and patios. Crafted with high-quality materials, this fixture is built to withstand the elements, ensuring long-lasting durability and performance.

DCP-LHS12

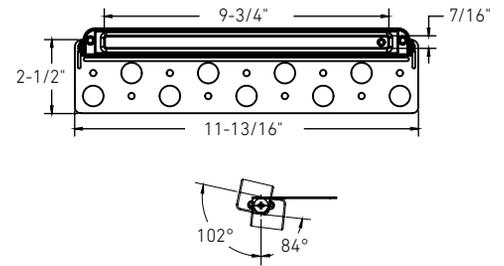

Independent Control

Press the button to cycle through colors and whites. Click to scroll through whites (2200K–4000K) and double-click to scroll through colors (7 colors).

| Model | Size | Watts | Delivered lumens | CRI | Color °T | Voltage |
|-----------|------|-------|------------------|-----|-----------------------|-------------------|
| DCP-LHS12 | 12" | 5 W | 200 lm | 80 | RGB + 2200 K - 4000 K | 12 V AC / 24 V DC |

DCP-LHS12

Specifications

Full color spectrum
 2200K - 4000K in pure whites
 Can be recessed or surface mounted
 Can be mounted to wood or concrete
 95° beam angle
